

Environmental Stewardship Committee
July 25, 2016

Attendees: Elida Kamine, Rita Wetterstrdem, Hannah Smith, Kathie Kraemer, Pete Duffy, Roger Toennis, Colin Driscoll and Tom Muething.

The following was discussed:

1. There will be a table at the Ice Cream Social that will be manned by the Greater Cincinnati Energy Alliance to provide information on solar panels for homes and energy efficiency projects.
2. There will also be a table for the ESC and also a table for info related to Duke's proposed gas pipeline. If ESC members can help man the ESC table during the event, it would be helpful.
3. There were not any specific updated related to We Thrive but the action plan needs to be updated.
4. ESC work programs for the next year include the following and we need these to be owned and managed by ESC members:
 - Recycling and Composting- This will include the One Stop Drop. (Kathie Kraemer and Pete Duffy)
 - Public Properties- This will include policies and practices for landscaping public properties (Colin Driscoll and Roger Toennis)
 - We Thrive
 - Arbor Day/Earth Day and education related to trees and landscaping as well as Tree City USA

There being no further business, the meeting was adjourned.

Tom Muething
