

Health, Education, & Welfare Committee

Minutes of March 4, 2013

Attendees: Natalie Wolf, Tom Muething, Bill Doering, Ed Hattenbach, Scot Lahrmer, Peg Conway, Jon Chaiken, Ronna Willis

The meeting was called to order by chair, Natalie Wolf and the minutes of January 14, 2013 were approved.

This meeting was a follow-up to the January 14th meeting regarding implanting an online survey of residents regarding the deer in Amberley Village. Village Clerk, Nicole Browder researched whether e-gov could prepare and implement a survey, and finding that they could not, it was decided that the Village would use Survey Monkey.

Tom Muething presented a sample survey and the committee and residents made comments and suggestions. A link to the survey will be posted on AmberleyVillage.org and residents will have until June to respond. Data will be reviewed in the Fall by the HEW committee and will be utilized, along with the deer count and DVA reports, along with other data to continue to improve Amberley's deer management program.
