Prior Minutes

The minutes from the meeting of October 29, 2013, were reviewed and approved as submitted.

Emergency Medical Services Contract

Mr. Lahrmer presented the draft Paramedic and Emergency Services Agreement for Committee approval. The Village has contracts for these services with the Village of Golf Manor and the Deer Park-Silverton Joint Fire Department which expire at year-end and need to be renewed effective 1/1/2014. He also distributed a listing of the ten-year history of the contract amounts documenting substantial increases over the current three-year contract period. The new contract provides for increases of 2%, 2%, and 3.5%, for payments to each jurisdiction of \$66,300 in 2014, \$67,626 in 2015, and \$70,000 in 2016. Ideas for future cost management were discussed.

Mr. Hattenbach moved to accept the contract as drafted. Seconded by Mr. Bardach, it passed unanimously.

There being no further business, the meeting was adjourned.
