

Amberley Village Council – Police & Fire Committee
Meeting Minutes
November 9, 2015

Present: Peg Conway (chair), Ed Hattenbach (committee), Rich Bardach (committee), Bill Doering, Tom Muething, Scot Lahrmer, Chief Wallace

Prior Minutes

Moved by Ed and seconded by Rich, the minutes from the meeting of September 17 were approved as submitted.

Budget Requests

The Chief presented for the Committee's information an extensive list of expenses and purchases that he is considering for the 2016 budget for police and fire. No Committee action was needed. At this point in the process, department heads are preparing their budgets for submission to the Finance Director for review before the full budget is reviewed by the Village Manager. The Finance Committee will then review it before Council votes on it at the December meeting.

There being no further business, the meeting was adjourned.
