SUBJECT: Discussion on Freedom Park Phase 2 (Freedom Lake) Project.

REQUESTED BY: Greg Smith
SUBMITTED BY: Greg Smith

Expenditure Required: None
Available Funding: None

Attachments: None

SUMMARY STATEMENT: We have interest in getting dirt from the proposed Freedom Park Lake. This will be no cost to the city, and will have some benefit to the school District. There is a benefit to the city in that we will begin getting the lake started. The estimated amount of dirt the contractor is wanting is approximately 25% of the total pond.

Recommendation: No Action Needed
