An email from J.T. Pena, Angleton Little League Vice-President will be provided at the meeting.

Summary Statement:

Angleton Little League is requesting to cut out the base paths from first base to third base at Freedom Park. Little League is willing to pay for the all the expense for this project. They want to do this in order to allow the league to host all-star and district tournaments. The fields are currently all grass infields. All grass infields are allowed in Little League baseball, but are over looked for hosting tournament ball. When Freedom Park was built it was intended to host tournaments and draw teams from other areas. By approving this request that intention can be achieved. The Parks Department agrees with the change.
