Summary Statement:

The ABLC board has a retainage of \$91,264.31 from Total Site for the grass at Freedom Park. Staff is recommending releasing \$66,264.31. The rest of the funds should be held until the ADA inspection is done, and the grass comes back after the winter dormancy, and the swales corrected. The grass is doing well in most places and should come back after the winter break.

Recommendation:

Approval of request.
