Quote for the scoreboards and wireless remotes from BSN.

Summary Statement:

Freedom Park does not have scoreboards for the Baseball fields; the scoreboards are very important to the game and for tournaments. The scoreboards were not part of the contract when Freedom Park was built. In the past the youth organizations have used Coke to get the scoreboards and in turn have to purchase their drinks from Coke directly. This puts Little League in an unfavorable position. Coke has a big mark up on the product when you order from them and you can not buy products from anyone else.

Recommendation:

Staff recommends that ABLC purchase the scoreboards at $13,373.92
