## Proposal Overview

Infield Renovation Project  
(Angelton Little League)

Presented by:  
Rod Thompson  
Managing Partner  
Sportscapers  
713-539-3248

**Date: January 11, 2010**

**SCHEDULE A**

January 11, 2010

Thanks for the opportunity to assist building out the infield cut outs for your Little League Fields (4 Fields). Below is a overview of our proposal:

- 1) Stake out the entire skinned areas (26,800 sq. ft.) for the infields on all four (4) fields. Field will be cut out for 60ft Bases.
- 2) Once field is staked, begin removing grass and dirt on each field. All materials removed will be piled onsite. Does not include haul-off of materials.
- 3) Within the designated areas on each field, frame up form boards for base cut outs.
- 4) Fill in base cut outs with 5" red infield dirt and 1" of infield conditioner.
- 5) Set bases (customer will provide bases and base anchors).
- 6) Build all pitcher's mounds and home plate circles. Customer will provide all pitcher's mounds and home plates.
- 7) Groom all areas to make game ready.
- 8) If any extra red infield dirt is left over, we will leave this material on site

**Total Project Costs.....\$37,675.00**

**Payment Schedule:**

- 50% - To Start Project
- 40% - Due upon completion of two fields
- 10% - Due upon completion of all fields

Project will take approximately 25 days to complete (weather permitting).

I personally look forward to working with you on this and many other projects in the future. If you have any questions about our pricing or construction plans feel free to contact me directly.

Sincerely,

Rod Thompson  
Managing Partner
