**DISCUSSION AND POSSIBLE ACTION ON WIND SCREEN FOR THE BASEBALL FIELDS AT FREEDOM PARK.**

**Requested by:**

**Budgeted amount:** item not budgeted **Funds requested:** \$3735.51

**Attachments:** (Attachment description)

Quote for the wind screen from BSN

**Summary Statement:**

Freedom Park does not have any wind screen on the fields; this was not in the contract when the park was built. Not having the wind screen is a safety issue for the kids when they are on the fields at night time. The wind screen blocks the lights from a car when they are parking in the parking lot. The parking lot is directly behind the out fields. This would shield the light form the fields during a night game.

**Recommendation:**

Staff recommends that ABLC purchase the wind screen at \$3,882.20
