Camp schedule

Summary Statement:

Staff would like to update the board on Summer Jamboree sign up's.

The Tuesday-Thursday adventure passes are sold out. We are now selling the weekly spots. We have approximately 30 spots for the Monday-Wednesday adventure passes. Sign ups are going good but a little slow. This year we are offering extended care before and after the hours of the camp. Staff has included a schedule of the trips that the camps will be going on.

Recommendation:
