Public Hearing Notice

The City of Angleton has received a request for a side building line variance, located at 135 E. Hospital Dr., Angleton, Texas. The owner is re-platting the property and the new property line does not allow the minimum distance between structure and property line required by city ordinance. Therefore, a variance must be issued before the re-plat can be processed. The Board of Adjustments will conduct a public hearing on this request on Wednesday, September 21, 2011 at 12:00 pm. The Public Hearing will be held in the Council Chambers at City Hall located at 120 South Chenango, Angleton, Texas 77515. The purpose of the public hearing is to receive comments from residents and property owners on this variance request. If you are unable to attend the public hearing, comments may be sent to:

Property owners should be aware that if they oppose or protest the requested variance, such opposition should be submitted in written form, with the resident's or property owner's signature and address included.
