

**Mayor & City Council
Parks & Recreation Department
Monthly Report
July, 2007**

“The mission of Angleton Parks & Recreation is to provide a well-maintained, diverse, family-oriented environment that enhances the quality of life for the Citizens of Angleton.”

The Parks Board met on July, 2007 at Angleton City Hall, however a quorum was not present. An update on Freedom Park and budget ideas were discussed by members present.

Summer attendance at the recreation center is up over past years. There were over 17,000 visitors to the center in June. July has a small decrease but makes it better for staff to deal with the numbers. The staff has done a great job of handling the crowds and we have had few problems.

Summer Jamboree continues to provide fun for the kids and they seem to be enjoying it a great deal.

The new swing and slide for the West of Bates Park, is due to arrive in two weeks and we will install it as soon as weather permits.
