Parks & Recreation Department  
Monthly Report  
June, 2007**

**“The mission of Angleton Parks & Recreation is to provide a well-maintained, diverse, family-oriented environment that enhances the quality of life for the Citizens of Angleton.”**

The Parks Board met on June 11, 2007 at Angleton City Hall. They received a report from Angleton Little League. Angleton Little League reported almost record enrollment for the year. They met with a representative of Baker and Lawson to give ideas on the Freedom park complex. They have also asked for a meeting room be included in the complex. This room would be needed to host tournaments.

The Parks Board also received an update from Baker and Lawson on Freedom Park.

Summer attendance at the recreation center is up over past years. The staff has done a great job of handling the crowds and we have had few problems.

Summer Jamboree is in full swing and the kids are having a great time.

The Parks department has ordered a new swing and slide for the West of Bates Park, this will add to the new pavilion area.

The Parks and Recreation Department would like to thank the Police Department for their help in patrolling the parks and the visiting the Recreation Center. Their presence makes a huge difference. Thank you.

Angleton Girls Softball hosted two more tournaments and each was a huge success. Our ability to host tournaments is only limited by the number of fields the currently have.
