

Economic Development May 2007

We continue meeting with the NRP group regarding the purchase of the Cameron tract. They have submitted their preliminary and final plat / plans and it will be on the agenda for Tuesday's meeting.

Flag Day was a great success! Judge Gayle and Dr. Melissa Vrazel-Ramirez did a great job and everyone that came out seemed to really enjoy it. We need to decide whether we want to "give" the event to another group even if they decide not to do the lunch time event or if we want to continue doing it.

We are starting to get calls about the July Jubilee. Chris Dahlstrom with the PD has secured our parade permit from TxDot and Beth Journeay with the Chamber is going to help us get the word out by asking businesses to put it on their marquees. We would love to have you and your family join us if you will be in town on July 4. It should be a great "first time" event and I'm looking forward to a great one!

I continue to receive lots of inquiries regarding property and new developments in and around Angleton. I understand that several of our local realtors have also seen an increase in larger "investment/development" firms interested in Angleton.

As always, let me know if you have any questions.
