THE RECYCLING PICK UP FOR RESIDENTIAL CUSTOMERS AND
APPROVING EXPENDITURES RELATED TO THE CITY
IMPLEMENTING CITY RECYCLING.**

REQUESTED BY: Greg Smith

SUBMITTED BY: Greg Smith

DATE SUBMITTED: FOR THE AGENDA OF: November 27, 2007

Expenditure Required: \$118,256.64 See proposal

Available Funding: \$120,326.00

Attachments: Recycling Proposal

SUMMARY STATEMENT: Enclosed is the proposal for the city taking over the recycling program. This program will be at the current rate. This program will be a blue bag program, this will allow for unlimited recycling by residents. With the city being the provider we can control the complaints and make sure that all residents have dependable scheduled collection. Complaints will be resolved the same day if possible.

Recommendation: Approval of city taking over recycling responsibilities and approval of expenditures needed to get program started.
