City of Angleton

Dear Mr. Henry,

After an extensive review of all submitted group health insurance proposals by both City Manager Greg Smith and myself, the consensus is to recommend BlueCross BlueShield of Texas Plan E14A as the base plan and Plan C13A as the buy-up plan. Please feel confident that BlueCross BlueShield of Texas met all bid spec requirements and offers a solid network of physicians and hospitals for the employees to choose from. I was very pleased with the participation in the RFP and look forward to the smooth transition to the new carrier.

It was also concluded that the City should keep its dental and life insurance benefits with the current carrier Met Life. The rates are competitive and we are not aware of any issues with customer service.

I sincerely appreciate the opportunity to represent the City of Angleton as their agent. Please do not hesitate to contact me with any questions.

Sincerely,

Brandei Burridge
