As you know we were approved to purchase 3 new police units in this year's budget. We would like permission to place an order with HGAC on these vehicles. The least expensive vehicles are the 2008 Ford Crown Vic Police Interceptors 4.6 L V8 @ \$21488.63 plus 5 yr / 75K extended warranty for \$2350.00 each. The grand total is \$71,515.89. We would like to have the order placed by mid December with payment due in January.
