Re: Level Weirs at WWTP #1
City of Angleton

Dear Greg:

Enclosed is the Bid Tabulation for the referenced project. We have reviewed the bids and recommend that the construction contract be awarded to the low bidder, Matula & Matula, Inc. for the Total Amount of Base Bid of \$93,537.76. The base bid considers the need to replace one half of the weir plates with new material.

Should it become necessary to replace every weir plate, the extra work items may be extended to increase the total contract by \$27,069.60.

Please contact me if you have any questions concerning this recommendation.

Sincerely,

Douglas Harris, P.E.
Project Engineer
