STATIONS.**

REQUESTED BY: ROBERT L. HEINEMEYER
SUBMITTED BY: ROBERT L. HEINEMEYER

DATE SUBMITTED: 12/4/08 FOR THE AGENDA OF: 12/9/08

Expenditure Required: \$25,500.00
Available Funding: \$25,200.00

Attachments: Proposal from Pump and Power Equipment, LP

SUMMARY STATEMENT: The SCADA system was budgeted and will save this amount or more in telephone lines and overtime. It will allow us to monitor these lift stations remotely instead of physically going to each site. This is the only company that offers this without using telephone lines and is the same company that furnishes most of our pumps and motors for the lift stations.

Recommendation: Staff recommends approval.
