

KAB Projects Reports for January Meeting

December Events

City of Angleton Curb side Recycling

The City of Angleton has proposed a new Recycling operation. The City of Angleton has decided to use blue bags for Recycling instead of the green bins. There will be City employees picking up recyclables. If there is a conflict with someone's recycling not being picked up, the City will have someone out the same day to pick up his or her blue bags. A power point presentation was created by KAB and was shown in the local cable Channel 3. KAB also created the Recycling flyer.

The flyer had information as follows:

- What can be recycled?
- What can NOT be recycled
- How do you participate in Curbside Recycling?
- Map of the City with designated pick up day
- Holiday Schedule

The flyer was placed in a started kit, which was delivered to all City homes. The kit included two blue bags and the flyer. The start date for the Curbside recycling pick started January 1, 2008 results on the recycling will be submitted by next council meeting.

Holiday Light Contest

The Holiday Light Contest was a great success. We had five judges, which included KAB chairperson Cathy Dykes, Councilman Gregg Dykes, Finance Director Susie Hernandez, KAB member Tom Wilde, and KAB coordinator Natali Cardenas. The judging day was on December 12, 2007.

Our winners were as follows:

- Best Business- Liz Sardelich with Sardelich and Associates
- Most Colorful- Janie DeLosSantos
- Most Decorated- Pam Roberts
- Best Overall- Pam Roberts
- Best Neighborhood- Pam Roberts (Northridge)
- Best Theme- Shane and Emily Marling
- Best Religious Theme- Dennis Sowyer
- Judge's choice- Randy Harding
- Most original youth- Ty Gilstrap

We presented each winner with a certificate as well as sign. This year was the first year to present citizens with a sign to place out side their homes. The signs were hand made by KAB coordinator Natali Cardenas and volunteer Betty Cardenas. Citizens proudly displayed their signs and hope we can produce them for upcoming years.

Upcoming Events

Lions Club Run

Our up coming event is the Lions Club Run. Keep Angleton will have water stations set up for the runners. The event is on January 26, 2007 at 8:00 AM.
