Angleton Police Department

Angleton, TX 77515

Dear Chief Ashburn,

I examined the Angleton Police Canine Officer, Cash, on December 17, 2007. He has developed an enlarged heart and bronchitis. He was previously diagnosed with mild discosponylosis (an arthritic condition of the spine). Due to his medical issues, he should be retired immediately. Until this time he has been very healthy and able to serve our city well. He has potential to live a comfortable retirement and will make a fine companion,

If you have any questions, please call me at 979.849-8524.

Sincerely,

Sherry L. Dodson, DVM
