

**BUSINESS FOR THE CITY COUNCIL
OF THE
CITY OF ANGLETON**

SUBJECT:

Discussion and possible action regarding Ordinance 2008-O-7B in support of Railroad Quiet Zone Project

SUBMITTED BY: Herbert S. Smith, P.E.

DATE SUBMITTED: 15 July 2008 FOR THE AGENDA OF: 22 July 2008

Expenditure Required: \$0.00

Available Funding: NA

Attachments: None

SUMMARY STATEMENT:

TxDOT requires this before they will allow the installation of the curb and reflecterized arcs. Ordinance should state that the City is the sponsor of the Quiet Zone and accepts responsibility for maintenance of the Quick Curb and arcs. If possible, I would like to have the language of the ordinance this week so I can forward it to TxDOT for approval.

Recommendation: Approve Ordinance and Acceptance of Maintenance.
