Mr. Robert Heinemeyer, Director of Public Works
City of Angleton
121 S Velasco
Angleton, Texas 77515

RE: Section 2 - Texian Subdivision

Dear Robert:

We have reviewed the construction of Texian Subdivision, Section 2, including survey checks of lot grading and find the water, sewer, paving, storm sewer, detention pond, lot grading and related appurtenances conform to the approved plans and specifications.

We recommend that the City accept the water, sewer, storm sewer and paving for maintenance.

Sincerely,

Herbert S. Smith, P.E.
