ANGLETON DRAINAGE DISTRICT

Accepted, this the ____ day of _____, 2008,
 by the Angleton Drainage District.

The Board of Supervisors of the Angleton Drainage District does not Warrant, Represent or Guarantee:

- That drainage facilities outside the boundaries of the subdivision are available to receive runoff from the facilities described in this plat.
- That drainage facilities described in this plat are adequate for rainfall in excess of Angleton Drainage District minimum requirements.
- That building elevation requirements have been determined by the Angleton Drainage District.
- That the District assumes any responsibility for construction, operation or maintenance of subdivision drainage facilities.

The District's review is based solely on the documentation submitted for review, and on the reliance on the report submitted by the Texas Registered Professional Engineer. The District's review is not intended nor will serve as a substitution of the overall responsibility and/or decision making power of the party submitting the plat or plan herein, their or it's principals or agents.
