Mr. Greg Smith  
City Manager  
City of Angleton  
121 South Velasco  
Angleton, Texas 77515

Dear Mr. Smith:

The Angleton Independent School District is requesting a variance from the City of Angleton to burn on the recently acquired 100 acre tract on FM 523. As you know this is the site of the new Angleton High School and the initial phase of construction involves clearing and grubbing the property. The City's cooperation in granting a variance to burn will create significant efficiencies with the initial construction efforts.

Thank you for your efforts in assisting the District with this request.

Sincerely,

Scott L. McLean, CPA  
Executive Director of Operations
