SUMMARY STATEMENT:

Angel Brothers, the Contractor on Downing Road / Stadium / Campus indicated at the preconstruction conference that closing Downing to through traffic while school is closed would facilitate the required completion of Downing Road portion of the project. This portion must be complete for the opening of school on 18 August 2008.

=====
Recommendation:

**Approve the closing of the two intersections to through traffic from May 31, 2008
until August 17,2008.**
