Summary Statement:

If you adopt a tax rate of 0.706000 per each \$100 of taxable value (same as last year’s tax rate) for 2009, this will generate an increase of 1.86% above the effective tax rate. Chapter 26 of the Texas Tax Code requires you to follow certain notice and hearing requirements before we adopt a tax rate that exceeds the effective tax rate. The City has contracted with Brazoria County to provide the notices and to assist in the process of adopting this year’s tax rate. In order to start the process of adopting the tax rate, you must make and adopt the following motion:

“I MOVE TO PROPOSE A TAX INCREASE OF 1.86% ABOVE THE EFFECTIVE TAX RATE BASED ON A TOTAL TAX RATE OF 0.706000 FOR EACH \$100 OF TAXABLE VALUE”.

The City Secretary is then required to record your vote on this Motion.

Recommendation:

Staff recommends that you approve this Motion.
