

## **September/October/November 2009 KAB Council Report**

### **Current Topics and Projects:**

\*The recycle art contest at AMS was Tuesday, November 17<sup>th</sup>. Judges were once again challenged to choose the best.

\*New benches for the downtown are in. We spruced up for the Fair Parade. The sign now has lighting and the heart shaped bed. We will have to plant it ourselves, but I did settle with the CVS rep. for enough to pay for most of it.

\*Cans for Cash has been an interesting endeavor. I have had several elderly residents, one 94, call with cans they had saved. The code enforcement officer went by on Thursday the 29<sup>th</sup> to pick them up for me. They weighed 4090 pounds and cashed in at \$2045. We present that check to the Fair Association in December and hear contest results in January.

\*KAB promoted Angleton's curbside recycling with a musical/educational Reduce, Reuse, Recycle program in all AISD elementary schools, except Rancho. Blue Bag Man made appearances @ each performance.....a big thanks to Dorothy for taking that project and running with it. Dion did a fabulous job in both the schools and in the parade. And one to Monica for twisting and shouting her blue self at Westside. We finally heard from Waste Connections for a sponsorship check. The \$3000 reimbursement sponsorship is in the mail.

\*The Information Booth at the Fair was well staffed. Thanks to each of you for volunteering your time. It was a toss up that week to whether you got a shift in the heat, cold, rain, sunshine or mosquitoes. The parade went well and the Explorers helped immensely.

\*Habitat for Humanity Walk was a success. The bins were contaminated because their logistics did not provide enough waste receptacles. Monica and Cathy took on this event and while not pleased with the recycling , compliments from the Habitat board for exemplary litter control.

\*Holiday Lighting Contest.....Monica made the flier (pun) that will go out in the water bills the last of November. We judge on Dec. 13<sup>th</sup>.

\*Heart of Christmas – Mark, Cathy and Dena are in charge of the booth.
