Discuss and possible action on renovations of old Council Chambers

**Requested by:**

**Budgeted amount:** Not Budgeted (approx. \$75,000 available) **Funds requested:** \$50,000

**Attachments:** (Attachment description)

Building Plan

**Summary Statement:**

Council as you know we have been looking at using the old council chambers for the Building Department, Code Enforcement, and Fire Marshall. The changes will allow for better customer service, improved working conditions, and better utilization of current space.

The construction estimates fall within the remaining budget of the City Hall expansion (including the contingencies). This price will also include fixture for the new space.

**Recommendation:**

Approve the renovations of the council chambers
