

THE STATE OF TEXAS §

COUNTY OF BRAZORIA §

**INTERLOCAL AGREEMENT BETWEEN  
BRAZORIA COUNTY AND THE CITY OF ANGLETON**  
**09-0007**

This Agreement is made between BRAZORIA COUNTY and the CITY OF ANGLETON, hereinafter referred to as the COUNTY and the CITY respectively.

**RECITALS**

WHEREAS, the CITY wishes to overlay a new city parking lot located on South Chenango, on property owned by the CITY; and

WHEREAS, the CITY has requested the COUNTY's assistance to overlay the parking lot; and

WHEREAS, the COUNTY has agreed to utilize Brazoria County Road & Bridge equipment and employees to perform this work pursuant to the authority of Tex. Transp. Code §251.015, and the Interlocal Cooperation Act, Tex. Gov. Code Sec. 791.001 et. Seq., subject to the conditions and limitations of this Agreement;

NOW THEREFORE, the CITY and COUNTY agree as follows:

1.01 COUNTY agrees to supply such equipment as may be necessary together with operators to overlay a 2" asphalt parking lot located on South Chenango, with all materials to be provided by the CITY.

1.02 The CITY agrees to furnish all materials, design and engineering studies which may be needed in the project, and in the event COUNTY costs in performing above-described work exceed \$10,000, the CITY shall pay, from the point in time that COUNTY's costs equal the sum of \$10,000, the labor costs and the hourly value of equipment used, plus any other costs associated with the use of the equipment including the fuel used by the equipment. Though it is contemplated by this agreement that CITY will have obtained the necessary design and engineering studies required by the project prior to the commencement of the work, CITY agrees to pay the reasonable cost of any design or engineering work obtained by COUNTY if it exceeds the sum of \$10,000. The value of equipment shall be those hourly rates which have been previously established by the COUNTY for each item of its equipment, multiplying the same by the number of hours such equipment has been utilized in excess of the point in time when COUNTY's costs equaled the sum of \$10,000. COUNTY equipment utilized on site for the project shall be charged to CITY on a daily rate for each day it is on-site.

1.03 The parties intend that COUNTY, in performing such services, shall act as an independent contractor and shall have control of the work and the manner in which it is performed. COUNTY is not to be considered an agent or employee of CITY.

1.04 COUNTY does not warrant the suitability for this project of any material purchased by CITY from a third party that maintains a continuing contract with COUNTY. Any cost estimate made in connection with this project is only an estimate and is not a warranty of the final cost of the project.

1.05 To the extent permitted by law, CITY agrees to assume the risk of, fully indemnify, hold harmless and defend COUNTY, its agent, officers and employees from any and all loss, damage, cost demands and causes of action of any nature or kind, for loss or damage to property, or for injury or death to persons, arising in any manner from the performance of the above referenced work.

1.06 COUNTY executes this Agreement by and through the County Judge acting pursuant to Order of the Commissioners Court so authorizing, and the CITY executes this Agreement by and through its Mayor acting pursuant to authorization of its City Council.

1.07 Nothing herein shall be construed to make either party a purchaser or consumer of goods or services from the other.

1.08. Nothing herein shall be construed to create any rights in third parties.
