Board or Commission Applying for: Planning & Zoning

Tell us why you are interested (use additional pages if needed): I have always  
been interested in positive growth for Angleton.  
Selling real estate has made me aware of issues  
that arise for property owners or buyers as well  
as impact for the entire city. As appointed City  
City Councilwoman, I reviewed and voted for the new  
Zoning Ordinance

I understand that my appointment to the board or commission must be approved by that board or commission and City Council.
