Memorandum of Agreement

Summary Statement:

On April 14, 2009, you approved my granting Republic Waste Services of Texas, Ltd. the authority to subcontract solid waste services under the Solid Waste Franchise to Waste Connections pending your consideration and action on the requested assignment of the Franchise from Republic to Waste Connection. The Memorandum of Agreement set the term of the subcontract at 62 days. Since the Memorandum of Agreement was signed on April 23rd of this year, the authority to subcontract under the Memorandum would expire on June 23, 2009. Assuming you approve the Ordinance authorizing the assignment at your June 9 meeting, the Ordinance and the Assignment do not become effective until July 9, 2009 under the City Charter. Therefore, I need your approval of my extending the Memorandum of Agreement through July 9, 2009.

Recommendation:

Staff recommends approval of the extension.
