

Below are the mower bids for the ZTR for *Austin Town*. Bruce prefers the Yazoo Esteem from Rick's Outdoor Power Equipment in Angleton as it has the right combination of deck size and engine for the price. Any of the models listed, however, would be sufficient for the proposed work at *Austin Town*. If you have any questions, do not hesitate to contact either Bruce or me. Thank you again for your interest in and generosity toward the Museum.
