

April/May 2009 KAB Council Report

Current Topics and Projects:

*Downtown improvements continue. New benches for the downtown area are on order. A work day is being scheduled to paint the planters. The board approved guidelines for a Keep Angleton Beautiful Business program. These include not only beautification but also maintenance standards. Businesses must be also be 100% code compliant too.

*The Keep Texas Beautiful conference is June 8 – 11 at the Houston Marriott Westchase in Houston this year. If there is anyone that would like to go to any of the sessions or ceremonies please let me know.

*Mr. Smith, Mr. Prouty and I met to discuss options for the “Peddler Ordinance”. Thank you for considering KAB’s input on the subject.

*Our Litter Index will be scheduled for late June. The Litter Index is an annual windshield survey of litter in our City. Participants evaluate and rank sections and subsections of town on amounts of litter present; noting any unusual conditions/code violations. This is required to maintain our national certification.
