- Public Hearing

Discussion and possible action on authorizing the Mayor to enter into an agreement with Brazoria County to jointly secure CDBG funds for Angleton.

Requested by: Patti Worfe

Budgeted amount:	None	Funds requested:	None
-------------------------	------	-------------------------	------

Attachments: (Attachment description)

I have attached the proposed contract with the County for your review.

Summary Statement:

Every three years, Angleton is required to decide whether or not they want to participate jointly with the county or as a stand-alone entity when applying for Texas CDBG funds. For at least the last six years and perhaps even longer, we have not participated with the county. The positive side of this move is that we have been able to secure CDBG funding to help with several city street/sewer projects. The negative side of not partnering with the County is that our residents are not eligible for any of the homeowner’s assistance programs currently available through the County. If the city enters into the agreement with the County, the City will relinquish their ability to apply for CDBG funds directly until September 30, 2012. As you will see from the attached agreement, currently every city in Brazoria County is a part of the group except Angleton.

Recommendation:

Recommend approval for Mayor to sign agreement with Brazoria County for the time period expiring Sept. 30, 2012.
