Attachments: (Attachment description)

Invoice for the tractor and the finish mower.

Summary Statement:

The Parks Department would like to purchase the John Deere tractor and the Finish mower, to replace our international tractor. This tractor will be used for cutting open space in our parks and at the Recreation Center and will be used at Freedom Park now that the park is being taken over by the city for mowing. This piece of equipment was approved by council in the capital expenses for 2008-2009 budgets. This item is under budget.

Recommendation:

To approve the purchase of the tractor, and finish mower from D.E.R. for the price of \$36,537.06
