Copy of bid proposal from Diversified Roofing.

**Summary Statement:**

This is an alternative roof repair for city hall without having to have a new single ply installed. It is approximately half the cost of the re-roof bid and carries a ten year guarantee on the installation of the roof coating. Representatives from the roofing company are going to be in attendance to answer any questions that the council may have about the product or procedure used installing the coating.

**Recommendation:**

Accept the re-coat proposal as cost saving solution to roof repair.
