Ordinance No. 2009-O-9D.

Summary Statement:

After providing notice and holding two public hearings on the 2009-2010 Budget, this Ordinance would adopt and approve the Budget for the fiscal year beginning on October 1, 2009 and ending on September 30, 2010. It also appropriates funds for the accomplishment of programs within the Budget, approves and incorporates the first year of the five year capital improvement program recommended by the Planning and Zoning Commission and provides for the filing and posting of the Budget. By another ordinance, you will be ratifying the adoption of a Budget that will raise more revenue than last year's budget through a tax increase.

Recommendation:

Pass the ordinance approving the Budget by a roll call vote.
