Attachments: (Attachment description)

See list of school crossing zones needing the signs.

Summary Statement:

We are requesting City Council to discuss and approve the placing of the NO CELL PHONES sign in school crossing zones.

Recommendation:

In accordance with the Texas Transportation Code Sec.545.425 concerning Use of Wireless Communication Device it is the recommendation of the Angleton Police Department that the City of Angleton take the following steps to allow lawful enforcement of the new state law. Attach a sign that complies with the standards described in Sec. 545.425 at the entrance of each school crossing zone located within the incorporated city limits of Angleton. See attachment for the school crossing zones requiring these signs.
