Bethel Park Municipality Named a 2021 'Banner Community'

Bethel Park, PA – The Municipality of Bethel Park has recently been named a '2021 Banner Community' by the Allegheny League of Municipalities (ALOM).

A recognition will be held at the upcoming ALOM Educational Conference scheduled for June 17 – 20.

The Banner Community Program recognizes communities that show a commitment to professional development, prudent fiscal management, transparency, accountability, and proactive communications to engage community stakeholders.

"This is a validation of all the hard work Bethel Park Municipal employees, Municipal Council and the Mayor put in every day for our community," said Bethel Park Municipal Manager Laurence Christian. "To be one of the communities recognized in this program is a great distinction!"

Bethel Park is one of 54 municipalities that received the Banner Designation for multiple years; and one of the 71 municipalities and five municipal authorities recognized this year.

The Allegheny League of Municipalities is a nonprofit organization that was created in the early 1960s to coordinate the needs of the area's local elected officials. The organization educates elected officials, delivers essential resources and advocates for sound policy and legislation.
