

## **REHABILITATION PROGRAM**

The City of Bristol, Tennessee administers a program to rehabilitate single-family owner-occupied homes. Grants/loans are provided to improve housing conditions and ensure that they meet local codes. Examples of work performed are: electrical upgrades, roof and siding replacement, plumbing improvements, as well as new carpet and paint to address unsanitary conditions. Applications are accepted during the time period when a new grant is awarded. However, you may submit your name, address and phone number at any time in order to be notified when the application process has resumed.
