

## DEARBORN HEIGHTS WATER DEPARTMENT SERVICE FEES 2014

### SCHEDULED APPOINTMENT NO-SHOWS

There is a \$25.00 charge for no-shows on scheduled appointments

### SERVICE SHUT OFF/TURN ON CHARGES

There is a \$15.00 fee for each water turn on or off during normal business hours.

There is a \$100.00 fee (after regular business hours) for all residential and commercial emergency water turn offs. Water turn on must be scheduled with our Meter Department and will be performed during normal business hours except for a valid emergency.

### SERVICE DISCONNECTIONS

There is a \$500.00 charge for disconnecting ¾" to 2" service lines and a \$650.00 for disconnecting 3" or larger lines.

All disconnections requiring pavement removal shall include a pavement replacement charge of \$945.00 for city streets and/or \$1050.00 for state and county roads. All reconnections will be treated as new taps with related procedures and charges.

PROPERTY OWNER UNDERSTANDS ALL LINES ARE BEING REMOVED.

### FROZEN OR LOST METERS

The owner of any premises where a meter is installed shall be responsible for its care and protection from freezing and from damage or interference by any person. **The owner of any premises where a meter is installed shall be liable for the full repair/replacement cost of any meter.**

### HYDRANT METER PERMIT

There will be a \$2500.00 deposit for hydrant permit issued through Water Department. Water usage and or damage will be deducted from deposit. Balance will be returned.
