This webpage consists of a number of documents scanned from the city archives and includes a number of photographs of Dearborn Heights, past and present. But we need your help! If you have a photograph or document you want to share, e-mail it to dhsrapbook@gmail.com or just drop it off at the Caroline Kennedy Library.

Together we can create a rich digital history that the entire community can enjoy. Thank you for your continued support of our library system and have an excellent Summer.
