

RATE SCHEDULE NO. 180

INTERRUPTIBLE TRANSPORTATION SERVICE  
FOR CUSTOMERS QUALIFYING FOR SERVICE ON RATE SCHEDULE NO. 150

Interruptible transportation Service under this Rate Schedule may be offered to a large commercial or industrial Customer who is presently connected to PSNC's system, has qualified for Service on Rate Schedule No. 150, has obtained an independent supply of Gas, and has made arrangements to have the Gas delivered to one of PSNC's existing Receipt Points. All transportation under this Rate Schedule is provided in accordance with PSNC's Transportation Pooling Agreement, as may be revised from time to time.

All Gas transported under this Rate Schedule shall be separately measured from any Gas purchased or transported under any other Rate Schedule. Neither separate Accounts nor separate locations may be combined to qualify for the minimum quantity provision of this Rate Schedule.

PSNC may refuse transportation Service if PSNC determines that:

- 1) it does not have Gas delivery capacity in excess of the requirements of its other existing Customers; or
- 2) the requested Service would require an uneconomic enlargement or extension of PSNC's facilities; or
- 3) the provision of the requested Service might unreasonably increase the average cost of Gas purchased by PSNC for sales to other Customers due to PSNC's demand charge obligations, minimum bill obligations, or the take or pay obligations of Transco.

PSNC will attempt to deliver Gas transported for the Customer's Account under this Rate Schedule on a day-to-day basis in accordance with the Customer's requirements; however, PSNC reserves the right to suspend Service on any day when, in PSNC's sole opinion, its operating conditions are such that this is necessary.

Rate

The applicable monthly Facilities Charge and the transportation charge are set forth in the currently effective Sheet No. 101 and are incorporated herein by reference.

Payment of Bills

Bills are due and payable upon receipt and become past due 15 days after bill date. Late payment charges will be added to the total balances in arrears, when arrears are ten dollars or more, on the next billing date at the rate of 1% per month.

A charge will be imposed for checks and drafts returned to PSNC. Reconnection charges will be made to restore Service for Customers whose Service was: (a) discontinued for nonpayment of bill; or (b) discontinued and reconnected at the request of the Customer at the same Premise within the past year.

The charges above are set forth in the currently effective Sheet No. 100-2 under the heading of Miscellaneous Fee Schedule and are described in PSNC's approved rules and regulations.

Balancing of Transportation Quantities

At any time when the Customer is consistently using more or less Gas than is being delivered to PSNC for the Customer's Account, it shall be the Customer's or its agent's responsibility to bring its supply and requirements into balance in accordance with PSNC's Transportation Pooling Agreement, as it may be revised from time to time. The Customer, Customer's agent, and PSNC shall strive to keep the transportation quantities within a reasonable operating balance at all times.

RATE SCHEDULE NO. 180 (Continued)

Notice Required

The Customer or its agent shall notify PSNC immediately in the event of increases or reductions in the quantity of Gas being transported.

Unauthorized Gas

In the event a Customer fails to discontinue the use of Gas after two hours notice that Gas under this schedule is not available, all Gas so used, other than for an allowance of 10 therms per day for pilot usage, shall be paid for by the Customer at the rate for Unauthorized Gas set forth under Rider A in Sheet No. 100-2 in addition to the regular commodity charge for such Gas. In addition, Customer shall reimburse PSNC for any expenses or liabilities imposed on PSNC that are caused by the Customer's failure to discontinue use of Gas.

Rules and Regulations

Service under this Rate Schedule is subject to all lawful orders, rules and regulations of duly constituted governmental authorities having jurisdiction over either PSNC and Customer, or both, including any orders of the Commission requiring PSNC to curtail or discontinue Service hereunder or setting priorities for such curtailment or discontinuance of Service. PSNC shall not be liable for any damages that may result to Customer or any other person, firm or corporation by reason of PSNC's curtailing Gas Service in accordance with any order by a duly constituted governmental authority or in accordance with any order of priorities which may be deemed practicable under existing conditions by PSNC. Service under this Rate Schedule is subject to PSNC's rules and regulations as approved by the Commission, which are incorporated herein by reference.
