Wednesday, October 28, 2009

7:00 – 9:00 PM

Somerville City Hall Board of Aldermen Chambers
93 Highland Avenue

Who should attend? Residents, property owners and organizations in Boston, Chelsea, Everett, Malden, Medford, and Somerville who are interested in conservation, recreation and development along the Mystic River and its tributaries.

What topics will be covered?

- The importance of regional cooperation on the Mystic River.
- The six strategies and recommendations of the Mystic River Corridor Plan.
- Your role in building a brighter future for the Mystic and its tributaries.
- A demonstration of the web-based Mystic River Dynamic Map.

About the project: This meeting is sponsored by a committee of representatives from the cities of Chelsea, Everett, Malden, Medford, Somerville, the Boston Redevelopment Authority, and the Metropolitan Area Planning Council. This project is funded by Chapter 205 of the Acts of 2006 and a contribution from the Massachusetts Water Resources Authority. * The study area includes portions of the Malden River, the Island End River in Everett and Chelsea, the Chelsea River and Mill Creek.

Further project information, including a copy of the final report, is available at http://www.mapc.org/projects_initiatives/mystic_river.html For more information, please contact Joan Blaustein at (617) 451-2770 x2023 or jblaustein@mapc.org.
