**Everett Foundation for Aged Persons, Inc. donates for Elder Services**

Mayor Carlo DeMaria, Jr. and Carolyn Lightburn are pleased to accept a generous donation from the Everett Foundation for Aged Persons, Inc. The Office of Human Services and the Council on Aging serve the elderly population in the City of Everett. The Everett Senior Center is one of the most active in the area and has numerous activities that are enjoyed by many Elders. On any given day, a Senior may participate in the exercise programs, attend community education seminars, have lunch at the meal site, play bingo, see a movie and much more.

With the generosity of the Everett Foundation, the city is in the process of making facility improvements at the Connolly Center. Two bathrooms, the pool room, activity room, and the front entrance are receiving an update. The Council on Aging, and Human Services will continue some of the popular programs for our Seniors at no low or not cost.

"The Everett Foundation for Aged Person's Inc. has always supported our efforts in responding to the needs of Everett Elders," said Carolyn Lightburn, Director of Human Services, "the goal of the Council on Aging is to continually expand programs and events, and at the same time, keep the cost affordable for all Seniors. We would not be able to accomplish this without the very generous support of the Everett Foundation."
