Annual Rabies Clinic

Mayor Carlo DeMaria Jr. is pleased to announce that the Everett Health Department and the VCA Everett Animal Hospital will be holding a Rabies Vaccination Clinic on Friday, April 2, 2010, from 4:00 pm – 6:00 pm at the VCA Everett Animal Hospital at 251 Chelsea Street in Everett. All cats and dogs in Massachusetts are required to be vaccinated against rabies. Keeping your pets up-to-date on their rabies shots is not only the law but it is also in the best interest of your animals and your family. The fee for the rabies vaccination is \$12 per dog and \$16 per cat. Cash is the only method of payment accepted at this clinic. If available, please bring proof of your animal's last rabies vaccination (not a copy of the license). If you have any questions please call the Everett Health Department at 617-394-2255.
