Press Release
FOR IMMEDIATE RELEASE

A WELCOME SMILE AT CITY HALL

Mayor Carlo DeMaria Jr. is pleased to welcome Smile Initiative as a community Dental Clinic to City Hall and to Everett Public Schools. The Cambridge based Dental Clinic will provide dental evaluations and comprehensive treatment plans for local patients. The clinic will be open to adults and children in the community, and will also be offered in the schools.

“I’m happy that we’re getting a Dental Clinic back in City Hall,” states Mayor DeMaria, “as a proponent of a Healthy Community, it’s important that we take care of our teeth and teach our children proper hygiene.”

“Our mission in Everett is in to bridge the gap between oral health and overall health in the community,” states the Hon. Kevin A. Tarpley I, Vice-President of Community and Governmental Partnerships, Smile Initiative, “by bringing dental care and oral health education out of the clinic in to the community.”

The new clinic will provide cleanings, exams, digital X-Rays, fluoride varnish and sealants. Doctors and staff will also extensively focus on a fun educational program, teaching kids the benefits and importance of oral hygiene.

Appointments are now being taken and the city is expecting an early to mid-May opening of the clinic. For more information please call Smile Initiative at 774-670-9801 or e-mail info@smileinitiative.net. You can also call the City’s Health Department at 617-394-2255.
