**FOR IMMEDIATE RELEASE**

### **Students Welcomed at Library Homework Centers**

Students who need assistance to complete their homework or a second opinion about a school project are welcome at the Homework Centers at the Parlin and Shute Memorial Libraries. Help comes from honor Students from Everett High School who volunteer their time after school to help their peers and younger students. The High School students service as “coaches,” who help students find correct answers for themselves or prepare a special report or project. The Library provides an environment for success, including books, computer access, databases, and a place to work. Librarians are available to support both coaches and students. Homework Center hours are Monday through Thursday from 3:00 - 5:00 PM upstairs at the Shute Library and downstairs at the Parlin Library. Pre-registration is not required and the program is offered free of charge. For more information, please feel free to contact the Homework Center Coordinator Stacy Cotto 857-363-0294
